Reading with Your Child

We have a big jump coming up for our next Literacy Testing Goal in December. Please continue to have your child read aloud each night for 20 minutes. If you know your child struggles with fluency, this is the biggest support you can give them at home. Thank you for your constant support with our student's success!

Parent Academy

Need some help navigating how to cultivate healthy habits in your child? Do you want to discover better ways to support your child in math? Then this is for you! **Thursday, November 12 from 6:00pm-8:30pm at Central Campus.**

Viking Day

On Viking Day, **November 13**, students may wear costumes or uniform attire. This is a fun day to review and live out all the students have learned about in their Viking unit of History. There will be a feast for students to enjoy around 11:45. A sign up for feast items will be emailed to you as we get closer. Parents are invited to attend and be a part of our fun day with students.

Bring Jackets/Coats

Our weather can be unpredictable as the weather gets cold. Make sure your child is prepared for colder weather.
