

Greetings, Jaguar Families!

As we welcome November, I want to share how grateful I am for our Lake Hills community. The partnership among our students, staff, and families makes our school a special place to learn and grow. Over these first two months of school, our students have been exploring new ideas, working hard, and practicing kindness, respect, and responsibility. Their curiosity and effort give us so much to celebrate!

I am thankful for our Jaguar staff, who support each child's well-being and bring care and dedication to engaging, challenging learning experiences. I am equally grateful to our families for encouraging your children and partnering with us to help them arrive ready to learn each day. A special thank-you goes to our PTSA leaders for creating opportunities to connect beyond the school day. September's movie night and Saturday's Trunk or Treat brought students and families together to enjoy time with friends and strengthen our sense of community.

Our PurposeFull People focus for November is gratitude, choosing to appreciate the people and things in our lives. Thank you for the many ways you help make Lake Hills a place where children feel safe, valued, and connected. I look forward to the upcoming conferences as a chance to celebrate your child's growth, hear your hopes and questions, and continue learning from one another.

I hope November offers your family moments to pause, enjoy time together, and notice the small things that bring joy. This month's important dates and reminders follow below. Please note that school is closed on November 11 for Veterans Day and November 26th and 27th for Thanksgiving. A final reminder is that during conference week (November 16-20) we run on a Wednesday schedule which means all students will end their day at 12:15.

Earlier this month students in all classes created a UNITY chain to say, "No to Bullying and Yes to kindness, acceptance, and inclusion." The photo below is the finished product.

Thank you for being part of our Jaguar family. We are grateful to share this journey with you!

Lake Hills
United,
Cathy Elder
Principal

This is our monthly family communication. It will typically be sent on the first Friday of each month and posted on our school webpage: <https://bsd405.org/LakeHills/>. Our PTSA will send additional communications about its events and activities.
