Student, parent, and community engagement
Open, two-way communication

To engage in inquiry around these three lenses, the committee will utilize the guiding questions below:

In what ways does this program, initiative, or service help close our **achievement gap**?

In what ways are **students, parents and community members engaged** in this program, initiative, or service?

What opportunities exist for open, transparent, two-way **communication** that allows for student, parent, and community input regarding the program, initiative, or service?
