Please join us for the first D11 SEAC (Special Education Advisory Committee) Educational Evening Series Event of 2026-27

DIGITAL REALITIES

What kids are not telling adults about online activities.

TESSA

FEATURED PRESENTATION

Understanding the digital world kids navigate

Join us for a thoughtful conversation about online activities, digital choices, and how adults can support safer, healthier technology use.

Presented by TESSA

SMART. SAFE. CONNECTED.

Practical conversations about kids' digital lives.
