

Hillcrest Middle School

Home of the Falcons!

Hillcrest Middle School

Responsible - Respectful - Ready for the Future

STEM curriculum where students use the engineering design process. This hands-on and problem-solving approach helps students develop critical thinking, creativity, and teamwork skills. Projects include: cardboard cars, mini golf courses, and more.

A-Rated by the Arizona Department of Education

Clubs & Activities: A place for all students. We have a variety of social clubs on campus, including Pickleball, Dungeons & Dragons, Badminton, Anime, Debate, Model UN, and more to help find other students with similar interests.

Learning in core subjects and in electives, such as: Art, Band, Chorus, Creative Publications, Mandarin, PE, STEM, and Spanish.

Renaissance Highly Gifted Program

Basketball, Baseball, Softball, Cross Country, Volleyball, Cheer/Pom, Wrestling, Track & Field

Certified, highly qualified teachers with ongoing professional development in every classroom

Join us for Future Falcon Night

Friday, Nov. 13
3 p.m.
** Alternative dates available upon registration**

Meet the Hillcrest Principal

Welcome to Hillcrest Middle School! This is my fifth year as principal at Hillcrest, and I bring over 20 years of experience in education.

We are committed to providing students with opportunities to grow through academics, athletics, fine arts, and student clubs. We see Hillcrest as a bridge to high school, preparing students academically, socially, and personally for future success.

Hillcrest Enrollment

7th Grade	352	8th Grade	362
