ABOUT US

Renton School District CTE programs utilize innovative learning models to deliver curriculum that is relevant to current workplace demands and in line with industry standards. One of the strengths of the program is the strong partnerships between CTE staff, the business community, the City of Renton, and community-based organizations.

OUR MISSION

Our goal is to help students:

- identify their strengths
- explore a variety of career options
- connect instructional activities to areas of interest
- interact with the business community at large
- prepare students for life beyond high school

Why Join Our CTE Advisory Committee?

At Renton School District, we believe in the power of collaboration and industry expertise to enhance Career and Technical Education (CTE). We invite you to be a part of our CTE Advisory Committee to help shape the future of education and workforce development.
