NOV 12	2:45-4:00pm = Chess Club (Comm. Classroom)
	2:45-5:15pm = Robotics Practice (K-8 MPR)

ALWAYS BRING YOUR DRIVER'S LICENSE

We are always happy to have visitors. Please know you must have your Driver's License to check in and get a badge to be able to walk down our hallways when school is in session. If you have to check in your student late, we encourage you to let them walk to class on their own. It becomes a big distraction when they walk into class late, especially with a parent. You also need your Driver's License to check your student out of school early...so always having your Driver's License available at school is the best practice.

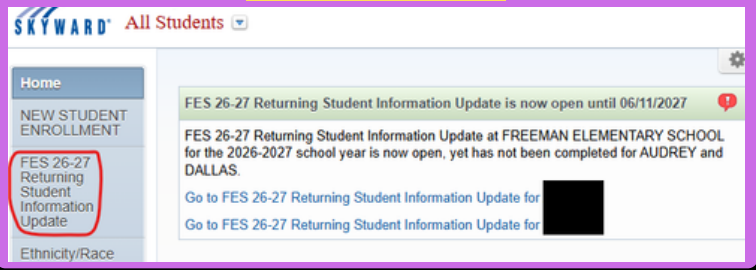

HARVEST HOEDOWN VOLUNTEERS!

We are still in need of many volunteers and baked goods for the Harvest Hoedown! Please click on the flyer to the right to sign up!

RETURNING STUDENT INFORMATION UPDATE

All returning students must have their information updated with their school each year. Please login to Family Access and complete the "FES 26-27 Returning Student Information Update" for each of your students.
Our goal was 100% complete by September 30th and we still have a little ways to go! Please get onto Family Access and complete it tonight! If nothing has changed, you still need to get on and complete all of the steps.

NEWSLETTERS

ATTENDANCE REMINDERS

Starting Semester 2, if we do not have some form of communication from the parents and your kids sign in alone, it will stay an unexcused absence. Please come in with them, call in or send a note when they are signing into the school.

You must excuse your students' absences and tardies within 10 school days. We will no longer accommodate parents calling months late asking to excuse all of their kids' absences.

It is considered a tardy if they are less than 15 minutes late in the morning. Please know that if your student misses more than 15 minutes in the first half or second half of the day, it is considered missing half a day. These half days can add up to a lot of absences. We understand that kids have appointments and other situations come up, but we want you to be aware of how this can affect their attendance.

It is part of our Attendance process to send out letters to parents regarding their student's attendance each year. Please know that this is to keep open communication between the school and the parents. Please reach out with any questions.

FREEMAN FOCUS

PRIDE | COMMITMENT | CARING

NOVEMBER 2026

One Freeman. One Community. Every Student.

As I reflect on my first few months as Superintendent of the Freeman School District, I feel grateful and proud. After nearly 30 years of serving this district as a teacher, principal, and assistant superintendent, stepping into this new role has been both humbling and rewarding.

These first few months have reinforced what I have always known: Freeman is a special place because of the people who make up our schools and community. I have enjoyed connecting with students, staff, families, and community members, listening to their perspectives, and celebrating the many wonderful things happening throughout our district that you will learn about here in the Freeman Focus.

As we move forward, we will continue strengthening a cohesive TK–12 system, building a culture of belonging, and ensuring every student has the support and opportunities needed to thrive. These priorities reflect our commitment to working together as One Freeman.

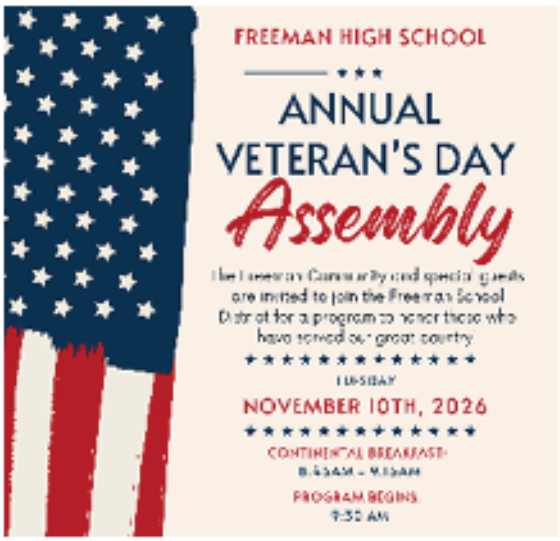

I am incredibly proud of our dedicated staff, hardworking students, supportive families, and the community that continues to stand behind our schools. Thank you for your trust, partnership, and continued support. Please do not hesitate to reach out. It has been a joy reconnecting with alumni and meeting community members who have a story to share.

Freeman Pride, Commitment, and Caring!

Lisa Phelan

Superintendent, Freeman School District

Scottie Dash Brings the Community Together

Freeman's annual Scottie Dash brought TK-8 students, families and community supporters together Friday, Oct. 2, for a day of school spirit and healthy activity. Students collected donations, ran for 30 minutes, received Scottie Dash T-shirts and celebrated with popsicles after the run.

Organized by the TK-8 Associated Student Body (ASB) and Parent, Teacher, Student Group (PTSG), the annual fundraiser supports opportunities for Freeman students, including field trips, sports, clubs, robotics, assemblies, playground improvements, community events and scholarships for graduating seniors pursuing college or a trade.

A heartfelt thank-you to the ASB, PTSG, volunteers, families and local sponsors who made the event possible: Amplify Real Estate Services; Broadway Heights Dental; CHS Primeland; Dave's Hot Chicken; Design IT Solutions; Fulcrum Financial Group; Gray Service Plumbing; the Hawley Family; Inland Empire Golf; iSmile Orthodontics; L&M Truck Sales; Palouse Doodles, LLC; Scott Family Orthodontics; Swell Coffee; and Zimmy's Flooring.

Thank you to the entire Freeman community for making the 2026 Scottie Dash a success!

PACE Character Traits November - CITIZENSHIP December - CARING January - FAIRNESS

Our Schools. Our Workforce. Our Future.

In September, Freeman School District students and leaders joined business and community representatives from across the Spokane Valley for the Our Schools Business Connections Breakfast, a conversation about preparing today's students for tomorrow's workforce and community.

Freeman students Briley Snyder, Logan Nelson, Lily Lagreid and Trapper Collins attended alongside Superintendent Phelan and CTE/FCE Director Heidi Youseph. Hosted by the Greater Spokane Valley Chamber of Commerce, the event brought together educators, employers, community leaders and residents to consider what skills graduates need to succeed and how schools and communities can help them develop those skills.

Briley, Logan, Lily and Trapper shared their experiences and perspectives, giving attendees a firsthand look at learning and preparation for life after high school. Their voices underscored the importance of including students in conversations about the workforce they will soon enter.

Grounded in Washington's Profile of a Graduate, the discussion went beyond academics to highlight communication, collaboration, problem-solving, confidence, career awareness and adaptability in a changing world.

Freeman students, Lily Lagreid, Briley Snyder, Trapper Collins, and Logan Nelson shine at the Spokane Valley In School Chamber Event

Exploring Futures in Medicine

Freeman is proud to highlight its ongoing partnership with Washington State University's Elson S. Floyd College of Medicine. Built on the principle "You can't be what you can't see," the program began in Stevens County to introduce students to medical professionals and health care career pathways. Now in its seventh year and serving 13 schools, the program marks its fifth year working with Freeman seventh and eighth graders.

This school year, 50 Freeman eighth graders are participating in hands-on activities and interactive case studies led by WSU medical students. They explore real-world health topics and careers in medicine, anatomy, nursing, pharmacy and clinical research while building scientific knowledge and leadership skills. We are grateful to WSU and its dedicated mentors for helping students envision new possibilities for their futures.

Keeping Our Campus Safe and Welcoming

The community levy support helps Freeman School District maintain its campus and address unexpected repairs, including a recently damaged gate at Kent Smith Field. Thanks to Freeman alum Steven Sainsbury, owner of FLYFAB, the gate has been repaired and improved beyond its original condition. This project highlights how levy dollars, combined with community partnerships, help protect our community's investment and keep Freeman's campus safe and welcoming for students, staff and visitors.

Introducing the Superintendent Student Advisory Committee

Freeman is excited to launch the Superintendent Student Advisory Committee, giving students an opportunity to share their ideas, experiences and perspectives directly with the Superintendent Lisa Phelan. Meeting over lunch once a month, students will have open, informal conversations about what is working well, where improvements can be made and how to strengthen our school community. The committee will help ensure student voices are heard as we work together to create a school where every student feels connected, supported and valued.

Freeman Third Graders Explore Rockford!

On Friday, Sept. 25, Freeman's three third-grade classes explored local Rockford businesses during a field trip. Students visited the District 11 Fire Department, First Interstate Bank, Rockford Auto, the Rockford Historical Society and The Body Shop. They also previewed the Southeast Spokane County Fair, where their school projects were proudly displayed.

Thank you to the local businesses and organizations that welcomed our students and supported hands-on learning. We appreciate your commitment to educating and inspiring our kids!

Fifth Graders Earn Best of Show

Congratulations to Freeman's fifth graders for earning the Best of Show award at the Southeast Spokane County Fair! Students carefully crafted three-dimensional seed pictures, showcasing their creativity while learning about crops grown and harvested by local farmers. Mr. Gady is proud of you!

STUDENT SERVICES

CHILD FIND

Freeman School District provides FREE Child Find screenings to locate and identify children with delays or disabilities who may be in need of early intervention or special education services.

CONCERNS MAY INCLUDE:

- SPEECH OR LANGUAGE
- LEARNING AND UNDERSTANDING
- COORDINATION AND MOVEMENT
- SOCIAL SKILLS
- SELF-HELP SKILLS (FEEDING, DRESSING, TOILETING)
- BEHAVIOR MANAGEMENT
- VISION OR HEARING

Any condition that may affect a child's ability to learn can be a basis for referral. To schedule your child's free screening- call or email Stacey Rawson, Student Services Director at (509) 291-4791 or srawson@freemansd.org

OPT INTO TEXT MESSAGES FROM FREEMAN SCHOOL DISTRICT

Stay connected and receive text messages from the school. This includes notification when the newsletters are ready, information messages and emergency alerts. Follow the QR code below and opt in

Opt-In from your mobile now!

Just send "Y" or "Yes" to 67587.

***Information on SMS text messaging and Short Codes**: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.*

If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions: Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/tm for more info.
