## DEAR FRIENDS,

This past year, we forged forward. As you may have read in our recent magazine, year one of our strategic plan built real momentum, with progress in academics, facilities, and community partnerships that are improving the student experience. Our young women were at the heart of every win, and their courage, compassion, and commitment to excellence continue to inspire us.

Momentum like this doesn't happen on its own. We could not have moved at this pace without our generous donors and partners, and with your ongoing generosity, we will keep that momentum going.

The pages that follow tell that story in numbers. Here you will find the tangible evidence of how your contributions translate into opportunity for our students. Your gifts to the Always Villa Annual Fund provide vital flexibility to improve our campus, invest in faculty and staff development, and enrich the experience of our young women. You will see how our partnerships beyond campus have deepened, including multiple grants from private foundations committed to Catholic education, among them the Connelly Foundation and The Howley Foundation. You will see the strength of our community in the events you supported, from the beloved traditions of the Golf Outing and Designer Handbag Bingo to the inaugural Casimir Dinner, a year-one success that will now be a cornerstone of our calendar.

You will also see how giving through the Educational Improvement Tax Credit (EITC) program grew: EITC donors increased by nearly 14%, and dollars raised for need-based financial aid grew right along with it. That growth helps ensure that a Villa education remains within reach for families who dream of it for their daughters.

Along the way, you'll meet an alum whose Villa story continues to unfold and hear from fellow donors about why they give. Whether you are an alumna, a parent or grandparent, a board member, a member of our faculty and staff, or a friend, you are part of the Villa family, and your involvement makes a meaningful difference in the lives of our students. Behind every figure in these pages is a young woman whose experience is richer because you chose to invest in her.

As we look ahead to year two of our strategic plan, I am filled with anticipation. With your continued partnership, I cannot wait to see what we will accomplish together.

Thank you for believing in our mission and for investing in our young women. Your support makes all the difference.

With gratitude,

Mary K. Smithson (Catherine '08)
**CHAIR, BOARD OF TRUSTEES**

### MISSION STATEMENT

Villa Joseph Marie High School, a Catholic college-preparatory high school, empowers young women through faith, education, and service, in the tradition of the Sisters of St. Casimir.

### VISION STATEMENT

Villa creates an academically challenging environment within a nurturing community, helping young women discern who they are and who God calls them to be.

Inspired by the words of Mother Maria Kaupas, we work in the spirit of "Always more, always better, always with love."

# Forging Forward to a Strong Future

## Learning

**Putting ethics into practice**
The Business Ethics Case Study Competition brought together 242 students from 10 Catholic high schools across the region to examine real-world ethical challenges and present their recommendations to business and community leaders.

**Excelling in the arts**
Villa was again recognized as an Outstanding Visual Arts Community by the Pennsylvania Art Education Association, reflecting a commitment to accessible, high-quality arts education for students in grades 9–12.

**New and expanded learning opportunities**
Students can now take courses in financial literacy, along with engineering, science, and technology, and a wide range of AP and honors courses.

## Leadership

**$87,477 raised for scholarships**
The inaugural Casimir Dinner brought together Villa families, alumnae, supporters, and community members to support student scholarships.

**$1.09 million The Howley Foundation grant**
A 10-year grant will expand the Howley Scholars Program and provide additional scholarship opportunities for qualified students.

## Community

**$61,795 raised for Think Hope Foundation**
Students planned and led the annual Hope-A-Thon, raising funds through an eight-hour event featuring games, competitions, speakers, and other activities.

**Growing together as a community**
The new schoolwide Emblem Program brings students from all four grades together for service, prayer, mentorship, team-building, and friendly competition.

**200 court care kits**
Students partnered with A Woman's Place to assemble approximately 200 kits for people seeking Protection From Abuse orders in Bucks County.

## Campus

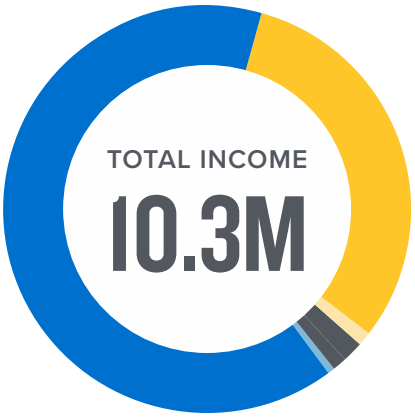

**A transformed gym**
The updated gym includes a newly refinished floor, bleachers with ADA-accessible seating, LED lighting, air conditioning, athletic equipment, and a new scoreboard.

**Improved athletic facilities**
Renovated athletic facilities now include updated locker rooms, a new athletic trainer's room, and improved offices to better support Villa's student-athletes and coaches.

**Enhancing learning spaces**
Additional improvements included updated classroom furniture, an outdoor classroom, and technology infrastructure.

# Partners in Purpose

While tuition remains an important part of the school's financial model, Villa is also seeking grants and building partnerships that help expand opportunities for students and support the school's future. This year, Villa received three major grants supporting three important areas: access, student opportunities, and campus safety.

**The Howley Foundation** awarded Villa a 10-year, $1.09 million grant to create the Howley Scholars Program. Beginning with the Class of 2030, the program will provide half-tuition scholarships to selected students based on academic achievement, connection to Villa's mission, and leadership potential. Over the 10-year grant, the program will help more young women afford a Villa education.

The **Connelly Foundation** awarded Villa $50,000, its second grant to the school. Following its 2024 support of Villa's Business Ethics Case Study Competition, this grant will support Villa's Organizational Advancement Initiative. The work will help the school strengthen its vision, strategic planning, and long-term fundraising efforts.

Villa also received a $75,000 **Pennsylvania Commission on Crime and Delinquency grant** to improve campus safety. The grant will help fund the replacement of exterior doors and related windows, making the campus safer while maintaining the welcoming environment Villa is known for.

In addition, a rescope of Villa's previous $1.5 million **Redevelopment Assistance Capital Program (RACP) grant** is helping fund the gym and classroom refurbishment project.

Together, these grants show how Villa is looking beyond tuition to support its mission and strategic plan.

"These partnerships allow us to invest in the areas that matter most for our students and our future," said Jeanne Frawley '94, president of Villa Joseph Marie High School. "We are grateful to the foundations and organizations that believe in Villa's mission and invest in our future."

For Villa, these partnerships are about more than funding. They are shared investments in the education, growth, and future of young women.

## Cap and Give 2026

Villa's 2026 Cap and Give campaign brought together 209 donors from 11 states, raising $73,633 to support Villa. The Class of 2030 was represented by 12 donors, while alumnae from the 1990s led all decades with 32 donors.

Our Cap and Give advocates showed how much one person can do to bring others into the effort. By sharing the campaign with their own Villa networks, Maureen McGroarty '92 and Mary Scheetz-Hird '85 helped connect more alumnae and friends to the opportunity to give. This reminds us that an impact doesn't always start with a donation—it can start with a conversation or a shared link, simply inviting someone else to be part of it.

# A Community That Gives

This year, Villa's fundraising events brought our community together to support scholarships, expand opportunities, and carry our mission forward.

### DESIGNER HANDBAG BINGO

Villa Joseph Marie's 2025 Designer Handbag Bingo brought more than 350 guests—including 45 alumnae—to campus on November 7 for a night of fun, prizes, and community. Lucky winners took home designer handbags from Tory Burch, Coach, and others, while more than 40 themed raffle baskets offered something for everyone. Together, attendees helped raise more than $18,000 for Villa.

### GOLF OUTING

In partnership with presenting sponsor Broken Wing Foundation, Villa Joseph Marie's 26th Annual Golf Outing was a sold-out success! Held April 27 at Jericho National Golf Club in New Hope, Pa., the event welcomed 124 golfers and a waiting list of alumnae, parents, sponsors, and friends.

From the $10,000 Hole-in-One Challenge to the Putting Challenge and Beat the Villa Pro, the day was filled with friendly competition, prizes, a silent auction, raffle baskets, and plenty of fun. Together, golfers and supporters raised more than $45,000 for Villa.

### CASIMIR DINNER

In April, Villa Joseph Marie welcomed supporters, families, alumnae, and friends to the inaugural Casimir Dinner, named to honor the legacy of the Sisters of Saint Casimir. Held at the Union League Golf Club at Torresdale, the event raised $87,477 for scholarships, helping make a Villa Joseph Marie education possible for more young women.

Guests gathered for an evening of celebration and philanthropy, enjoying a cocktail reception, silent and live auctions, a Golden Ticket raffle, special prizes, and a dessert dash. President Jeanne Frawley '94 offered remarks, Sr. Immacula Wendt, SSC, shared a reflection, and Maura Lynch '29 provided a student perspective. The Villa Joseph Marie Choir performed throughout the evening, and the celebration concluded with prayer.

The Casimir Dinner is part of Villa's broader commitment to expanding scholarship opportunities. With a goal of raising $3 million by the end of 2027, Villa has already raised $2.3 million toward that goal. Our community's belief in the power of a Villa education is helping make that opportunity possible for generations to come.

## ELAINE MACKIN ’60 AND JOHN MACKIN INVEST IN VILLA’S FUTURE

For Elaine Halamar Mackin ’60 and John Mackin, giving to Villa is deeply personal. Elaine’s parents worked hard to give her the opportunity to attend Villa, and the education she received has remained meaningful to her and her family throughout her life.

When Elaine visited Villa a few years ago with her husband, John, and their son, John, she saw her parents’ memorial stones at the front of campus.

“My heart was overjoyed seeing my parents’ memorial stones upfront,” she says.

That connection to her parents—and to the education they made possible—continues to shape Elaine’s philanthropy today.

### A Commitment to Scholarships

In 2015, Elaine’s Class of 1960 established the Mother Maria Kaupas Scholarship in honor of their 55th reunion. The scholarship provides four Villa students with $1,000 scholarships each year and supports students who demonstrate a commitment to creating positive change.

Elaine has been instrumental in sustaining the scholarship year after year. Now, she and John are deepening that commitment. Through a grant recommendation from the John and Elaine Mackin Foundation, they have pledged $150,000 over the next 10 years to continue providing the four annual scholarships, while working toward a larger goal: fully endowing the fund so the scholarships can continue in perpetuity.

For Elaine and John, supporting education is part of a broader philanthropic commitment. They also support scholarship funds at other schools and universities, reflecting their shared belief in creating educational opportunities for students.

### Investing in Villa Today

Their giving to Villa extends beyond scholarships. The John and Elaine Mackin Foundation recently recommended a $50,000 grant toward Villa’s gymnasium refurbishment project, supporting improvements that will provide students with a safer, updated facility for practice, competition, and school and community events.

The gift is also expected to have an impact beyond the initial $50,000. By helping Villa satisfy the matching requirement for the Pennsylvania Redevelopment Assistance Capital Program (RACP), the grant will provide the basis for phase two.

Together, these gifts demonstrate the breadth of Elaine and John’s commitment to Villa: supporting students today while investing in the school they will inherit tomorrow.

### Giving Forward

Elaine remembers Villa as the place where she became more organized and independent. She recalls Ring Day, French and Math classes with the late Sister M. Clarissa Jablanskas, S.S.C., and the friendships and experiences that made her years at Villa memorable. Now, she is helping create those opportunities for another generation.

Her parents made an investment in her future. Elaine and John are making their own investment in the futures of Villa students.

Elaine’s advice to today’s Jems is simple: “Study hard. Work hard. Be a good person. Enjoy life!”

Her giving reflects those same values—education, purpose, generosity, and a commitment to making a difference in the lives of others.

## About EITC

The Educational Improvement Tax Credit (EITC) is a program that allows you to receive a tax credit of up to 90% of the donation made by directing your Pennsylvania state taxes to Villa.

### WHO IS ELIGIBLE?

Any individual or business that pays Pennsylvania state taxes is eligible.

### WHY GIVE THROUGH EITC?

Use money that you already have to give away to impact a Villa Joseph Marie student's life.

### HOW DO I PARTICIPATE?

The application process is simple and requires only a one-page form. For details, contact Director of Advancement Matt Grunwell at mgrunwell@vjmhs.org or 215-357-8810 ext. 124.

### HOW DOES THE TAX CREDIT WORK?

With a two-year commitment, a $10,000* contribution could look like this:

| | |
|---|---|
| Cash to Charity | $10,000 |
| PA Tax Credit Reduction (90% of contribution) | ($9,000) |
| Net Federal Tax Reduction for contribution (37% of tax rate) | ($370) |
| Out of Pocket | $630 |

*These numbers are provided as an example. The minimum contribution is $3,000.*

### PURCHASE A BRICK

Purchase an engraved brick to create a lasting tribute or memorial on the Villa campus.

*Visit* **www.vjmhs.org/give** *to make a difference for today's Villa students and to carry the mission forward.*

# Why I Give

"I give because I want young women today to have the opportunities I had, plus so much more. When I'm back at Villa, there is such comfort in seeing some of the same things I saw while I was there, and there is a joy in seeing all the advances that current students can experience. These things seemed far beyond what was even possible 50 years ago. God has given me so much, so finally, I give with a grateful heart."

—CAROL WITALEC OLIVIERI '75

"Villa Joseph Marie High School holds a very special place in my heart. During my time there, I found my voice, gained confidence in myself, and grew into a leader. The friendships, values, and opportunities I experienced at Villa helped lay the foundation for my future."

—KRISTA CHALFONT '90

"Villa Joseph Marie has given my daughters an education rooted in faith, academic excellence, and community. As a family, we love being part of such a special place, and I give to help ensure future young women can experience the same opportunities, support, and lifelong memories that my daughters have received."

# CASIMIR DINNER

## APRIL 1, 2027

Join us for the second annual Casimir Dinner on April 1 as we come together to support scholarships for Villa students and celebrate Elaine Mackin '60 and her longstanding commitment to Villa. The Casimir Dinner is becoming a signature Villa event — an evening to gather with those who share a deep commitment to the school and its mission.
