50th Reunion Highlights

Friday Afternoon: Check In and Kick Off

Our 50th reunion kicked off in front of the Cissel's house (now the Alumni Office), where classmates checked in, picked up their reunion books and swag, and exclaimed, "I can't believe it's been 50 years!" Classmate Steve Maritz got the "Spirit of '76" in motion by hosting a gathering for the legendary 1975 Bombers football team and cheerleaders. Classmates fondly recalled their undefeated league championship season and the Bombers' first state football championship.

Friday Night: Shake Shack Class Party

Our 50th reunion kicked off with a lively Friday night celebration at Shake Shack, thanks to Danny Meyer, where a spectacular blue-and-gold balloon arch welcomed classmates. The friendly staff, cheeseburgers, hot fries, and a DJ spinning the tunes made for a fun-filled evening that carried us straight into a late-night dance party!

Saturday Morning: Bagels and Conversations

Saturday morning brought a more reflective gathering with bagels and coffee, browsing the memorabilia table, and enjoying a mellow playlist of '70s favorites that transported us back to our days hanging out in the senior lounge. We then moved indoors for a great program kicked off by Jim Davidson's video compilation of class photos. Alec and Caryl then led us into small group discussions. Thoughtful conversation prompts encouraged us to share memories, reflections, and personal stories, giving us a chance to reconnect on a deeper level and leave knowing one another a little better.

Saturday Afternoon: Varsity Football Game Halftime Tribute

During halftime of the varsity Bombers-MICDS game, our class of '76 players were honored for their remarkable 12-0 season. The announcer recounted their thrilling one-point victory over Codasco for the league championship, and the team's crowning achievement: securing Burroughs' first state football championship.

Saturday Night: Class Dinner

Saturday evening was truly special, thanks to Jim and Mary Forsyth, whose warm and inviting home provided the perfect setting for our class dinner. We were thrilled to have Ellen Moceri as our guest of honor. We capped the evening with a memorable class photo—taken in total darkness! A huge thanks to Jamie for his editing magic and making us look good!
