HOMELESSNESS STUDENTS ENROLLMENT RIGHTS AND SERVICES

To the extent practical and as required by law, the district will work with homeless students and their families to provide them with equal access to the same free, appropriate education (including public preschool education) provided to other students. Special attention will be given to ensuring the identification, enrollment and attendance of homeless students not currently attending school, as well as mitigating educational barriers to their academic success. Additionally, the district will take reasonable steps to ensure that homeless students are not stigmatized or segregated in a separate school or in a separate program within a school on the basis of their homeless status.

Homeless students, as defined by applicable state and federal law, will be provided district services for which they are eligible, including Head Start and comparable preschool programs, Title I, similar state programs, special education, bilingual education, vocational and technical education programs, gifted and talented programs and school nutrition programs.

The superintendent or designee will designate an appropriate staff person to be the district's liaison for homeless students and their families.The liaison may simultaneously serve as a coordinator for other federal programs provided that they are able to carry out the duties listed in the procedure that accompanies this policy.

The principal of each elementary, middle and high school building will establish a point of contact for such youth. The point of contact is responsible for identifying homeless and unaccompanied youth and connecting them with the district's homeless student liaison. The district's homeless student liaison is responsible for training the building points of contact.

The superintendent or designee will adopt a procedure addressing the district's obligations under state and federal law regarding homeless students.
