November is
Native American Heritage Month

Your mission: View the Native American Heritage art and book display in the library. Then, design a bookmark that tells a story without using a single sentence.

Due: WEDNESDAY, NOVEMBER 18, 2026

Your bookmark must include:

- An original design inspired by an artwork or book in our gallery.
- At least three colors.
- A pattern, shape, or visual element that communicates an idea.
- A title for your work.
- Your name, teacher's name, and grade on the back of your bookmark.
- Students should create their own original designs inspired by Indigenous artists.

Cut out and turn in the template below. Use any 2-D medium. One bookmark from each grade band (PK-1, 2-3, 4-5, 6-8) will have their bookmarks reproduced and available in the library.
