My Benefits

To view your current and historical benefits at any time, tap or click "My Benefits" from the Benefits menu.

	Mobile	Desktop
		

You'll be navigated to the My Benefits tab where you can view current benefits, as well as your information, the deduction total and date you signed. You can also use the Enrollment Year drop-down menu to view future and historical benefits.

	Mobile	Desktop
		

Select an Enrollment Year from the drop-down to view your benefits from that year. You can download the Benefit Confirmation Report as a .pdf file by clicking the "Download" button on the top right.

Paycom regularly updates and improves functionality to meet client needs and expectations, which may result in differences between the content of these materials and actual system functionality. The information in this guide does not constitute legal or professional advice.

	Mobile	Desktop
		

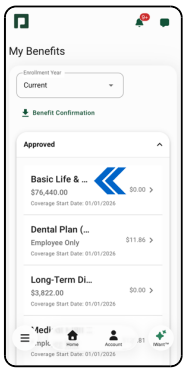

Select "Current" from the Enrollment Year drop-down to see the current year and any future benefits you are enrolled in. Click the appropriate tab to view this year's or future benefits.

	Mobile	Desktop
		

Click on the benefit plan to view details such as the deduction amount, coverage level, any dependents and plan documents. Click "Plan Details" to view additional information.
