Chief Leader of the Week

This week, we are proud to recognize senior William Shelley as the recipient of the Dew's Chief Leadership Award!

Will is an all-around outstanding young man who approaches every task with diligence, persistence, and a commitment to excellence. He is a bright, hardworking student who consistently strives to do his best. Mature, responsible, and always willing to help, Will leads with integrity and respect and sets a wonderful example for those around him. And, of course, his awesome mohawk makes him hard to miss!

Will has truly excelled in his leadership role in the NMBHS Marching Band this year. As a leader within the clarinet section, he has demonstrated tremendous kindness, patience, and dedication to his fellow musicians. He takes the time to encourage and support younger students as they learn, helping them build confidence and improve their skills. His willingness to look out for others and inspire his peers to give their best reflects the very best qualities of a leader.

Beyond his leadership in the band, Will is known for his outstanding character, academic dedication, and genuine care for others. He makes a positive impact on his classmates, teachers, and the entire school community through his maturity, dependability, and positive example.

As Will prepares for graduation, there is no doubt that he has developed the character, work ethic, and leadership skills needed to succeed in whatever path he

chooses. He is a wonderful representative of what it means to be a Chief, and we are proud to celebrate his accomplishments!

Congratulations, William Shelley! We are proud to name you this week's Chief Leadership Award recipient, sponsored by Dew's!
