“THE YELLOW WALLPAPER”
BY CHARLOTTE PERKINS GILMAN

What if the room you’re trapped in… starts changing?

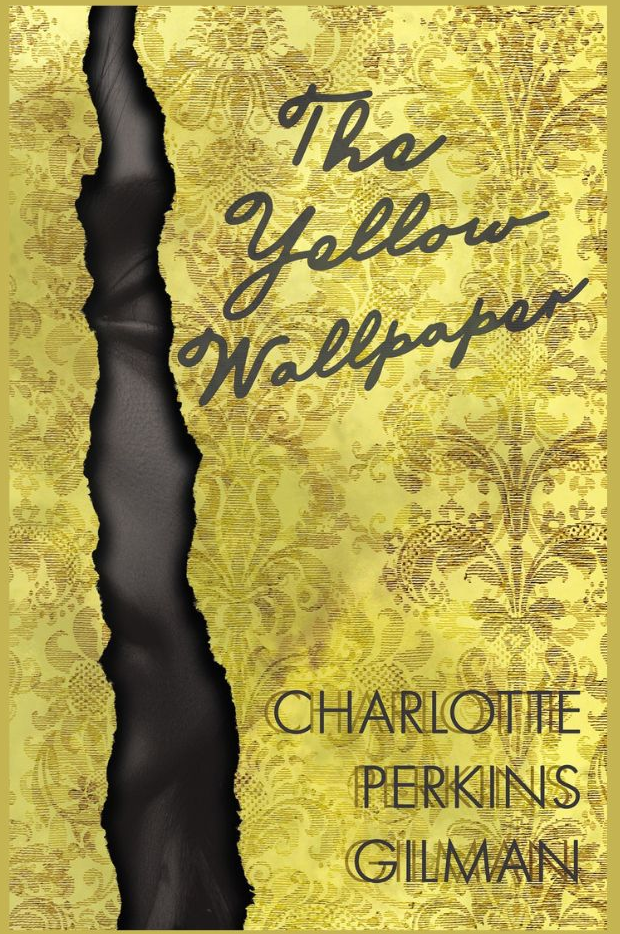

After giving birth, a young woman is confined to a room by her doctor-husband and forbidden to work, write, or leave.
Then she becomes obsessed with the room’s hideous yellow wallpaper.

The pattern seems to move.
Someone seems trapped behind it.
And she becomes determined to set them free.

But as her obsession grows, one question remains:
Is she uncovering the truth—or losing her mind?

Want to see the story come to life? Our One Act Play is performing *The Yellow Wallpaper*! Read the short story first, then see how our cast brings this chilling classic to the stage.

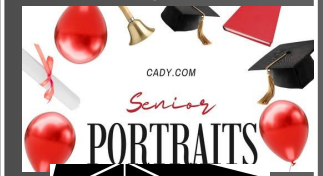

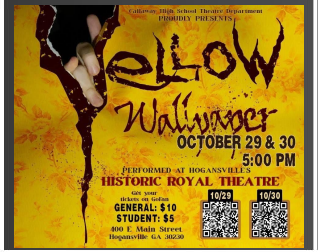

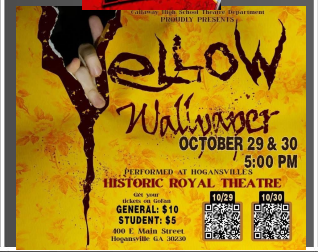

Check it out in the Media Center!
