PRINCIPAL'S WELCOME MESSAGE

Dear Park Vista Families:

First, I would like to thank you for your kind words and gestures during October's recognition of National Principals Appreciation Month. I am honored to serve on this world-class team.

Our Student Government Association collaborated with several other organizations to coordinate an amazing Homecoming Week filled with tradition and fun activities for all of us. Thank you for spreading positive school spirit throughout the campus!

Our Spanish Honor Society (La Sociedad Honoraria Hispánica) Induction, led by Señora Patricia Martinez, was held after school on October 27 and commended the largest number of new inductees for their outstanding work. The purpose of the society, which includes over 1,600 chapters, is to recognize the achievement of high school students in the study of Spanish and Portuguese and to promote a continuing interest in Hispanic, Portuguese, and Brazilian studies. Our Medical Sciences Academy hosted a new Halloween Escape Room event on the evening of October 29, 2026 coupled with a Trunk-or-Treat event created by our club sponsors. It was great to see the large turnout and community support for these events.

As the Thanksgiving break approaches (November 21 - November 29, 2026), we are reminded of the amazing school community that we serve and wish to share our gratitude for our teachers, paraprofessionals, secretaries, bus drivers, school counselors, coaches, food service staff, language facilitators, administrators, custodians, support staff and wonderful volunteers who make a positive difference in students' lives daily. School is back in session on November 30, 2026 after the break ends, and will be an ODD schedule day. On behalf of the entire Cobra family, I would like to wish you a safe and happy Thanksgiving holiday. Thank you for your continued support of our school!

REMINDER

Weapons Are Not Permitted on Campus

The safety and securityof our students andstaff is ourhighest priority. To support asafe learning environment, we want to provide a reminder of our School District's policy and state law.

Please remember that state law (§790.115, Fla. Stat.) and District policy (Firearms and Weapons- Policy 2.383) prohibit all weapons, including firearms, on school property at all times. This applies to our campus buildings, personal vehicles, school buses, and any school-sponsored event. With the exception of sworn law enforcement, these rules apply to all visitors, staff, and students.

Our District has a zero-tolerance policy for any threat to school safety, including the possession of any item considered to be a weapon. Any student who violates this policy will face the most severe consequences, including expulsion and potential criminal charges. The School District will also pursue criminal charges against any adult who poses a threat to school safety.

Thank you for your partnership in maintaining a safe school environment.
