Upcoming Supplemental School Levy

November 03, 2026

Dear Community Members,

On Tuesday, November 03, 2026, Genesee Joint School District #282 will ask voters to consider the renewal of our current Supplemental Levy in the amount of $1,185,000 per year. This is not a new tax, but a renewal of the existing levy that helps sustain essential educational services. The levy rate has actually decreased from $402 per $100,000 to $367.88 per $100,000.

What Is the Levy For?

The funds from this levy will be used to maintain current staffing levels, programs, and services for students during the 2027–2028 school year.

An informational meeting will be held on:

Date: Wednesday, Oct. 28, 2026 @ 6:00 p.m.

Location: MPR/ Cafeteria

All Community members are invited to attend this informational meeting. This levy is critical to preserving the high-quality educational experience our students receive. Renewing this funding ensures continuity and stability without increasing the current tax rate.

We appreciate your continued support and partnership in keeping our schools strong.

For more information, please contact Superintendent Anselmo at panselmo@sd282.org or 208-285-1161 ext. 4203.

Sincerely,

Paul Anselmo
Superintendent

Alan Krick
Board President

Genesee Sharing Tree

The Sharing Tree is a project sponsored by the Genesee Education Association. We have been participating in this wonderful project for nearly 40 years! The goal is to provide gifts to Genesee children when family finances may be a little tight during the holidays. Each year, we strive to provide winter clothing and/or a new outfit, along with a few fun items to help make Christmas special.

Last year, we provided gifts for 20 families (45 children) in our community. The generosity of people in Genesee and beyond is truly amazing and heartwarming. Thank you for helping make this project so special!

The Latah County Sharing Tree will be set up at the Palouse Empire Mall from the end of November through the first couple of weeks in December. Tags for Genesee children will be placed on the tree just before Thanksgiving, with additional tags added through early December. Tags for Genesee children are RED!

Gifts should be returned unwrapped to the sleigh at the mall or directly to the main school office no later than Friday, December 11. Monetary donations are also welcome. Checks can be made payable to the Genesee Sharing Tree and left at the school office or mailed to:

Genesee Sharing Tree
PO Box 98
Genesee, ID 83832

If you have questions, would like to make a donation, or would like to receive tags directly as they become available, please contact Melissa Hanson at the school at 285-1162 or mhanson@sd282.org.

Thank you for your generous support of the Sharing Tree! Your kindness helps make the holidays brighter for children in our community.

Genesee FFA Newsletter

Happy spooky season! October has been a very busy month for our FFA members. First our district winning soils team went to state in Burley ID, and got second! They advanced to National Soils that will be in the spring. Also our officer team went to National Convention to support Mr. Morrow with receiving his Honorary American Degree. On top of everything our members are preparing for November CDE & LDEs. Make sure to be keeping up with our socials for more updates on what Genesee FFA members are up to!
