Happy Fall!

I hope that everyone had fun at the Halloween Parade this year. It was great getting to see the excitement on the students' faces as they showed off their costumes. Thank you to everyone who helped make the parade, party, and pumpkin decorating such a success. I am always grateful for the dedicated parents we have in our community who are willing to volunteer in our schools. As always, if you have any questions please call the office at (330) 533-5959.

Respectfully,
Travis Lavery, Principal

School Fees

The Canfield Local Board of Education uses a fee system for elementary schools rather than having each grade level arrive at different costs for materials (workbooks, digital subscriptions, art supplies, etc.) used. All grade levels have the following fees per year: Supply fee $20.00, technology fee $20.00, and technology protection plan $30.00.

The fees are now being collected by your child's teacher. Please make the check payable to the CANFIELD LOCAL BOARD OF EDUCATION. Payments can also be make through the Payschoolscentral.com system, however a convenience fee will be charged. Your prompt attention to this matter would be greatly appreciated. If there is any reason payment cannot be made at this time, please contact the school office. REPORT CARDS WILL BE HELD MOVING FORWARD IF SCHOOL FEES ARE NOT PAID.

Food Pantry

The Canfield PTA has combined our school pantries into one centralized Food Pantry for the district to help support our local families. Food is packaged weekly and sent home with students on Fridays in a non-conspicuous book bag. Families who would like to participate in the food pantry should call the main office at (330) 533-5959 or email our nurse Mrs. Strawinski at bstrawinski@canfieldschools.net or Mr. Lavery at tlavery@canfieldschools.net.

Notes from the Nurse

We want to make parents/guardians aware that Fall and Spring are the seasons when lice occurrences are most likely. The best prevention is early detection. Check your child for signs of head lice which are the presence of **bugs** or the eggs they lay in your hair. The bugs are brownish, small, flat, wingless insects that are about as big as a sesame seed when fully grown. They do not jump or fly and can live only on a person, never on pets. The **eggs**, or nits, are small gray-white, and tear-shaped. The nits are firmly attached to the hair shaft and cannot be moved easily. The insect bites you very much like a mosquito and the person usually complains of **itching**. If you detect lice/nits on your child, please inform the school so your child can be checked after treatment and before returning to class.

School Closings and 2 Hour Delays

The district will be utilizing the SchoolMessenger system to inform parents of school closings and 2 hour delays this year. Please remember that a 2 hour delay means that buses will be arriving at the bus stops 2 hours later than normal.

Candy Drive

C. H. Campbell will be collecting all unwanted individually wrapped candy to donate to various charities throughout the week of Nov. 2nd. A donation bin will be in the main lobby.
