Granby High School

International Baccalaureate (IB) Program

OPEN HOUSE

Monday, Nov. 16, 2026 – 5:30pm

Why IB?

IB offers students a globally recognized, academically rigorous education that develops both strong thinkers and compassionate leaders. Unlike programs focused on one subject area, IB provides a balanced, interdisciplinary experience that strengthens student skills across all areas of learning. Students are encouraged to ask meaningful questions, connect learning to real world issues, and grow through service, research, and reflection. IB prepares students not only for college, but also to lead with character and make a positive difference in their communities and the world.

We Are Looking for Students who Have:

- At least 1 credit in Algebra
- At least 1 credit of a world Language - will waive language requirement if have algebra, earth, and/or world geo
- No discipline record
- Students cannot be considered "Chronically absent" which the VDOE defines as a student who has been absent 10% or more in a school year
- Student should have a "B" average or higher GPA
