THE GRADING SYSTEM

Cherokee County uses numerical grades for unweighted grade reporting. Should letter grades be needed the equivalent numerical grades are as follows:

A = 90—100
B = 80—89
C = 71—79
D = 70
F = 0—69

Extra points are awarded to advanced courses as follows when computing weighted NGA:

Honors Courses (19): 5 points added to numerical grade
AP Courses (24): 10 points added to numerical grade

All transcripts to Post-Secondary Institutions reflect the grade for each course before points are added.

Class Rank is determined by the weighted cumulative numeric grade average of graduating seniors at the completion of their graduation requirements. These averages are placed in numerical order from highest to lowest to determine class rank. All classes are included when calculating NGA and class rank.

For purpose of computing a GPA, the following criteria is used:

90—100 = 4
80—89 = 3
71—79 = 2
70 = 1

SCHOOL YEAR

CVHS is on a traditional 7 period schedule. The school year is divided into two semesters (August—December and January—May). Students take 6 classes per semester and can earn .5 credit per class totaling 3 credits per semester; 6 credits per year. Schedules may vary with students who are dual enrolled.

The school day is divided into seven 55 min. periods which meet five days per week. Hours are 8:30 to 3:30. The school year began on August 3, 2026 and ends on May 25, 2027. Second semester will begin on January 5, 2027.
