Click for Tech support

TEAMS SUPPORT

Microsoft Teams is our virtual meeting application. If your student is having trouble with Teams or needs a refresher, please scan the QR Code.

Click for Teams support

DEVICE UPDATES

Keeping your student's device updated is an easy way to avoid many tech issues. Scan the QR code to get information on how to update your student's iPad.

Click for iPad updates

MOSYLE SCHOOL

Mosyle School is an app on your student's District-managed iPad where they can find and download apps that have been approved and made available by the District for educational use.

Click for Mosyle School Support

SEESAW

Seesaw is our Learning Management System (LMS) for students in Pre-K through 5th grade, providing a platform for young learners to engage and interact with their educational content.

Click for LMS Support

CLEVER

Clever, our Single-Sign-On service, is located on our ECASD Start Page or as an app on the iPad. This app allows access to many of the programs your student will use for their classes. Scan the QR code for access.
