School-Parent Compact

Shoal Creek Elementary

School Year: 2026 – 2027

Revision Date: *August 26, 2026*

Dear Parent/Guardian,

Shoal Creek Elementary students and their families, agree that this Compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of **Shoal Creek Elementary** *partnered together to develop this School-Parent Compact for achievement. Teachers suggested home-learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend the annual Title I Revision Meeting(s), held in the spring of each year, to review the School-Parent Compact and make suggestions based on student needs and school improvement goals. Parents are encouraged to complete workshop & meeting surveys that are used as a tool to collect parent feedback regarding the current Title I programs and plans.*

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.
