Earn **COLLEGE CREDIT** in High School

Early College (EC)

A 3-year planned and guided program in grades 11, 12, and 13.

Outcomes: 60 credits, associate's degree, occupational certification, MEMCA certificate, and/or apprenticeship

Dual Enrollment (DE)

The option to take college courses while in Grades 9, 10, 11 and 12.

Career Technical Education (CTE)

Programs through KRESA that are exploratory and offer real-world experiences, academics, and credentials in careers that students are interested in.

Advanced Placement (AP)

A year long college-level HS course, culminating in a state exam to potentially earn college credits.

What is Early College?

THREE-year *planned* program (grades 11-13) combining HS requirements with college credit opportunities.

ALL 10th-Grade students are eligible to apply

Begin college courses in 11th Grade and transition to *full-time* college by Grade 13.
