Irish Night – February 27, 2027

Irish Night is a beloved Lauralton Hall tradition celebrating our rich Irish heritage, the warmth of Irish hospitality, and our connection to Catherine McAuley, foundress of the Sisters of Mercy.

Held on Lauralton's historic campus, this festive 21+ event brings together alumnae, parents, friends, and community members for an unforgettable evening featuring the Fairfield Gaelic Pipe and Drum Band, Irish step dancers, live music, a spirited Best Decorated Table contest, and a raffle.

Welcoming over 400 guests annually, Irish Night is one of Lauralton's most anticipated events and often sells out. Proceeds from Irish Night support the Lauralton Fund, which helps sustain the exceptional academic programs, enriching student experiences, and Mercy mission that make a Lauralton Hall education so distinctive.
