Annual Family/School Compact

Adams Elementary believes every student should be presented with the tools and given the opportunity to attain his/her full potential. In order to do just that, we believe that parents, teachers, school staff, and the community must be partners in the education of our students. Families play an extremely important role as their child's first teacher and their support to the school is critical to their child's success. The goal of Adams Elementary is to provide a solid partnership with families that will help ALL students to succeed.

Student Pledge:
