Second Grade Digital Learning Board 2026-27

Student Name: _____ Grade: _____

Teacher: _____ Parent Signature: _____

Hello Families!
Your child should choose **1 activity below in each column**. Then color in the box that was chosen when the activity is completed. Please have your child return this sheet to school with your signature within 3 days of a digital learning day so that we can count them as having attended that day. If not sent back, students will be marked absent. Contact information for each teacher is on the back if you have questions.
Thank you!

Digital Learning Day

Reading	Writing	Math	Social, Science. Health	Specials
Read for 15 minutes (or more).	Make as many words as you can using the letters in: **"Little Mountain"**	Practice your addition and subtraction flashcards for 10 -15 minutes.	Make a picture of your home showing where your family's safe, outside meeting spot is in case of a fire.	PE: Do 10 push-ups, 25 curl-ups, a 30 second wall-sit and 20 burpees. Then choose between the following activities: 1. Play outside/Shovel your driveway. -OR- 2.Participate in this workout video!
Play a board game with your family. Be sure to read the directions carefully.	Write a "Thank You" letter to someone who has been kind to you.	Ask an adult to give you a handful of coins. Write out the total.	Write your full name, phone number, and your address.	
• Build a fort and read with a flash light.	Write a letter to your teacher about what you did today. Use your BEST handwriting and remember to have details (adjectives) in your sentences.	Play a math game like Addition War or Yahtzee.	Using Legos, Play-Doh, or other building materials to make a creation. *Send a picture to your teacher if you want!	TECH: Work on coding using the Pre-reader Express https://studio.code.org/s/pre-express-2020?redirect_warning=true
Read a Fiction book and pick your favorite character in the book. Write down one character trait and feeling that character has.	Write a paragraph about your favorite season. Tell the season (topic sentence) and 3 detail sentences. Draw a picture too!	Write your own story problems (one addition and one subtraction) and solve them.	Keep a log of the foods you eat today. Tally how many healthy choices you have made today.	MUSIC: https://musiclab.chromeexperiments.com/ Pick 2 experiments in Chrome Music Lab and try them out.
Read a Nonfiction book and write down 3 facts that you learned.	Write down how to make your favorite snack at home using the signal words First, Next, Then, and Last to start your sentences.	Create a picture using geometric shapes like circles, squares, rectangles, triangles, and parallelograms.	Fill a sink with water and find 5 things that can float and 5 things that sink. Make a list of each.	ART: Choose a "how to draw" video: https://www.artforkidshub.com/how-to-draw/ -OR-Draw your favorite animal and its habitat
