Wichita Falls ISD to Hold Nov. 16th Public Hearing on the Targeted Improvement Plan for the Zundy, Cunningham, Fain, and Booker T Washington Elementary Campuses

In compliance with state requirements TEC 39A.055(3), TEC 39A.057, and TEC 39A.101, a public hearing for the approval of the Targeted Improvement Plans (TIPs) for the identified campuses must be held.

Campuses identified by the Texas Education Agency are required to submit, for Board approval, an Effective Schools Framework (ESF) Aligned TIP or TAP that will address areas of low performance identified through the three state accountability domains. The targeted elements in these plans will be implemented and monitored as campuses engage in the continuous improvement process.

The public hearing will take place at the Nov. 16th board meeting in the Wichita Falls ISD Education Center Boardroom beginning at 5:30 p.m.
