VISION OF THE LEARNER

Help Shape Who Our Learners Become

RSU 21 is defining the skills, attributes, and mindsets every student needs to thrive in school and beyond. We're building it with our community, and we want your voice in it.

IT STARTS WITH ONE QUESTION

What should every RSU 21 graduate be able to do, or be, when they walk out the door?

Students, families, staff, and neighbors all have part of the answer. Here's how to share yours.

OPEN TO EVERYONE
