Dear Schnecksville Families,

It's that time of year again when we look forward to connecting with you about your child. Parent-Teacher Conferences are a vital opportunity for us to collaborate on your student's progress, celebrate their strengths, and discuss goals for the remainder of the school year. Your partnership is essential to their success, and we highly encourage all families to sign up for a conference time. This year, conferences will be held on Monday, November 23rd and Tuesday, November 24th. These days will be early dismissal days for students.

To ensure a smooth and fair process for all families, please observe the following scheduling guidelines when signing up:

1. One Conference Per Student: We ask that each student's family sign up for only one conference time slot. If your student has separated parents or guardians, we encourage you to coordinate a single, shared time that works for everyone to meet with the teacher (virtually or in person). This unified approach really helps us maximize our time and work together effectively for your student's success.
2. In-Person and Virtual Options: While we would love to see you in person, we understand that busy schedules and travel logistics can make this challenging. If you are unable to attend in-person, a virtual conference option via phone or video call is available. Please reach out to your child's teacher if you need your conference to be virtual after you have signed up for a time slot.
3. Appointment Changes (After November 18th): The online sign-up system will close after November 18th. If you need to make a change to your scheduled time after this date, you must call the school office, or reach out to the teacher directly, so we can make adjustments.

We look forward to seeing you at your scheduled conference time. Use the sign-up links below to sign up with each of your children's teachers. **Please complete your sign-up by November 13th**.

Sincerely,

Justina Verile
Principal
