# CAREER STUDIES PROGRAM

BUILD YOUR SKILLS. EXPLORE YOUR FUTURE. MAKE IT YOURS.

## Turning Interests into Careers

The Career Studies Program gives students the opportunity to explore career pathways aligned with their interests through hands-on learning in preparation for future employment opportunities.

Students will learn from experienced instructors and industry professionals while gaining real world experience, building workplace skills, and preparing for long term career success.

## Career Studies Tracks

**Allied Health:** Explore healthcare, patient care, medical terminology, and clinical skills while preparing for health-related careers.

**Automotive Technology:** Learn to diagnose, repair, and maintain vehicles using modern tools and equipment.

**Culinary Arts:** Train in professional kitchens while developing skills in cooking, baking, and food service.

**Exercise Science:** Explore fitness, wellness, sports performance, and injury prevention while preparing for related careers.

**Fashion Design:** Explore design, textiles, sewing, and apparel production while building a creative portfolio.

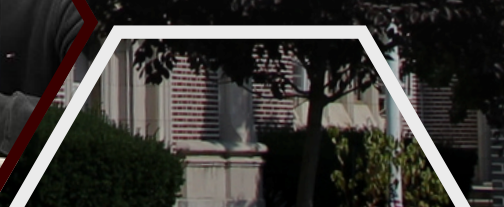

**Law Enforcement:** Explore criminal justice, public safety, investigations, and law enforcement while preparing for careers in public service.

**Teacher Education:** Learn the foundations of teaching, child development, instructional practices, and classroom leadership.
