Calling out the greatness in each other Every. Single. Day.

October 30, 2026

Dear Community Member,

Annually, Redington Jr. Sr. High and Beryozova School provide a holiday themed meal for our students toward the end of the first semester before winter break. Turkey, ham, stuffing, potatoes, baked goods, etc. are provided for each of our 500+ students at no cost to them. It is a highly anticipated, joyous event and the students have a great time and eat their fill. After lunches, leftover food items are assembled to send home with select families in the Redington and Beryozova community.

Would you consider supporting our efforts to continue to provide Redington and Beryozova students with our **Annual Holiday Feast?**

We are currently accepting donations of frozen turkeys, ham, boxed stuffing, canned green beans, canned mushroom soup, instant potatoes, and foil pans. We are also accepting monetary donations to support this event in the form of cash, check, or credit card. You can make checks out to Redington Jr. Sr. High School (memo: Student Holiday Feast). We can also accept card payments over the phone or via this QR code.

Please contact the school at 907-864-5401 with any questions you might have for this event and thank you for supporting Redington Jr. Sr. High and Beryozova School!

Sincerely,

Matthew Swalling
Principal
