Student Services coordinates academic advising, mental health counseling, schedule forecasting, registration, and so much more for grades 9-12! The Student Center at North Medford High School is the pulse of the Black Tornado. We welcome parents and students to make appointments with counselors and administrators, obtain registration and school information, and discover all that North Medford has to offer!

College and Career Coordinators

Tornado Future Center:
Our Tornado Future Center (TFC) provides in-depth guidance to support our students as they plan for their post-secondary steps. A key factor in this support is connecting our seniors to appropriate scholarship opportunities. Nathan Chin & Jessica Driskell are here to serve NMHS students with compassion and care.
