October 30, 2026

Dear Primary Families,

We had such a fun day celebrating Halloween! Here are a few important updates/reminders:

Parent/Teacher Conferences are on Monday November 2, 2026: No school for students on Monday.

WPS Scholastic Book Fair: We hope you will join us for the WPS Scholastic Book Fair on November 10th and 11th (Tuesday/Wednesday) at the Wyoming Civic Center. **The book fair will be open from 3:00-7:30 p.m.**

2nd Grade Career Connection: This week our second graders in each of our buildings had a special visit from WLWT's meteorologist Adam Burniston! Mr. Burniston graduated from Ball State with a degree in atmospheric science and he has received multiple awards for excellence in weather forecasting.

Veteran's Day: On Wednesday, November 11th, each school will gather for a special assembly honoring the courage, dedication, and selfless sacrifice of our nation's service members. We would be privileged to welcome local veterans and active-duty military personnel as our honored guests. To help us prepare:

- Classroom teachers will email a registration sign-up link to all families.
- If you have a veteran or active-duty service member in your family or community who can attend, please connect with them to submit their details.
- Registering in advance ensures we properly recognize each hero and provide them with a warm, heartfelt welcome.

Space limitations require that attendance is reserved for our students, veterans and active duty service members so this will not be a public ceremony. However, any veterans needing mobility assistance or personal support are welcome to bring an accompanying guest. If you know of an attending veteran or service member who requires accessible parking or any other accommodations, please reach out to your child's classroom teacher so we can ensure their visit is seamless and welcoming.
