Please note

Event-Specific Fees: Certain events, including competitions and conferences (e.g., OFSAA and HOSA), may require additional event-specific fees. These costs may include entry or registration fees, transportation, and accommodation, where applicable.

Billing: Fees will be charged through Blackbaud within 2 weeks of teams being finalized, and by the end of the second week of club meetings.

Commitment and refunds: To be fair to all interested students, we ask that students stay with their chosen team or club for the entire term. Refunds are not possible; if a student leaves a team or club after fees are posted, please consider the fee a donation to the school.

Schedule changes: Co-curricular activities are subject to change and will be communicated at the beginning of each season.

A dash (—) indicates no fee. "~" means approximate; "opt." means optional.
