MISSION STATEMENT
Pleasant Valley Elementary School will focus on student centered learning and promoting the education of the WHOLE child! We will ALL work together in a collaborative manner to promote student success.

A Message from the Principals

Happy November! We are very thankful to have a building full of such amazing faculty, staff, and students. In October, families help raise funds during our PTO Fall Fest. The funds raised will be used to provide activities, celebrations, and resources directly to our PVE students. We also celebrated Spirit Week and Unity Day, during which we wore orange to show we are united against bullying.

Our community efforts continue this November with our annual Veterans Day parade honoring local heroes, a food collection drive for PVE Families in Need, and the launch of our Toys for Tots fundraiser. The strength and care demonstrated across our PVE family is truly heartwarming.

With colder weather likely arriving, please remember to send your child to school with appropriate winter attire, such as a coat and hat. Additionally, should your child miss school due to illness, please submit an excuse note to the PVE Main Office via email at pveattendance@pvbears.org or by sending a written note in your child's folder.

A Note from the Nurses

The Mobile Dentist will be coming to see students on December 7th and 8th. Permission slips will be sent home for you to return to the school in order for your student to be seen.

Please remember that ALL Kindergarten and 1st grade students are required to have a school physical on file by 12/31/26

Please send clothes in with your student as accidents do happen!

Over the last several weeks the school counselors have begun classroom guidance lessons focused on Social-Emotional Learning (SEL). Our lessons discuss good listening skills, how to identify the feelings of others, how to manage emotions, and problem solving. Recently our lessons have focused on empathy, which is an important skill students need as they develop social-awareness. Empathy is our ability to understand how someone else is feeling or to put ourselves in their shoes. Kindness and compassion are how we show others we care and understand how they are feeling. The holidays are a great time to demonstrate kindness.

Ways to show kindness at school:
- Say good morning
- Smile
- Ask someone to play
- Ask someone if they need help

Ways to show kindness in the community:
- Write a thank you note
- Donate non-perishable items, blankets, etc.
- Give a family member a hug
- Offer to help around the house

No act of kindness, no matter how small, is ever wasted - Aesop
