

Hello Trojan Families,

This is Principal Bender with your Trojan updates for the week of November 2-6.

At Lincoln High School, we encourage all students to explore the benefits of dual enrollment and the opportunity to earn college credit while completing high school graduation requirements. Through our partnership with San Joaquin Delta College, students can experience the rigor of college-level coursework, explore potential career paths, and get a head start on their postsecondary goals. One of the many benefits is that students save time and money toward a future degree. We will be hosting registration workshops at the College and Career Center in the coming weeks. Stop by and see our College & Career Counselor, Mrs. Dickson for more information.

Introducing the Lincoln Early College Program!

We are excited to offer freshmen an opportunity to join the Lincoln Early College Program, designed to help students build the skills, confidence, and knowledge needed to be successful in college. Students accepted into the program will participate in a series of spring workshops that will prepare them for the dual enrollment experience. Topics will include:

- How to register for college classes
- What to expect from college-level courses
- How to navigate Canvas
- Effective study strategies and time management
- College expectations, resources, and more!

Students who participate in the Lincoln Early College Program will be expected to complete at least one dual enrollment course each semester during their sophomore, junior, and senior years. If you are interested in signing up your freshmen for the Lincoln Early College Program, please complete this form.

If you have any questions about the information from this newsletter, you can email me (kbender@lusd.net), call the office (209-953-8920) or respond to this post.

Go Trojans!
