Jordin Bond netted a three-pointer and five out of six free throws in the fourth quarter as Crockett County Middle School's girls basketball team knocked off Haywood 38-35 Thursday night, initiating a hometown sweep as the boys followed with a 50-41 victory when Jaylen Frye poured in nine of his game-high 18 points in the final period.

Coach Jamar Turner's Lady Cavaliers – now 6-1 on the season – grabbed a four-point lead after the first quarter and then held on for dear life as the teams battled to a near standstill after that. But Bond's free throw shooting down the stretch preserved the advantage for the hosts, who received 17 points apiece from Bond and Trinity Pankey.

Frye tallied 15 of his 18 points in the second half for Coach Tyler Gadlen's Crockett boys, including seven of eight free throws in the fourth quarter. Jordan Young and Nolen McDonald added huge three-pointers in the period as the Cavs drilled six for the game, a season high. Young finished with 14 points and Reese Jones eight for the winners, who are now 5-2.

Both CCMS teams play next at Milan on Monday night.
