COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM
Inspiring Possibilities

Art of Animation

Arts, Media & Entertainment

Explore drawing, animation, digital media, storytelling, and visual design while developing hands-on skills used to bring characters and ideas to life.

Create. Animate. Imagine.

- **Industry Preparation** — Build skills in drawing, computer graphics, storyboarding, animation, and digital production.
- **Cost Savings —** Earn college credit while in high school and reduce the cost of future coursework.
- **College Credit —** Art of Animation 1 can earn 3 articulated college credits through RCCD with a B or better.*

YOUR PATHWAY

Art of Animation 1
Concentrator

Build a foundation in drawing, cartooning, computer graphics, composition, color, and animation while developing your own creative style.

Art of Animation 2
Capstone

Advance your animation skills by creating short stories, storyboards, audio, special effects, characters, backgrounds, and animated productions.
