COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM
Inspiring Possibilities

Sports Medicine

Health Science & Medical Technology

Explore athletic training, physical therapy, kinesiology, and sports medicine while gaining hands-on skills in injury prevention, treatment, and rehabilitation.

Train. Prevent. Recover. Perform.

- **Industry Preparation** —Build hands-on skills in injury prevention, treatment, rehabilitation, and athletic training.
- **Cost Savings** — Earn college credit while in high school and reduce the cost of future coursework.
- **College Credit —** Earn 3 articulated college credits through RCCD by completing Sports Medicine 1 with a B or better.

YOUR PATHWAY
