COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM
Inspiring Possibilities

Automotive Technician

Transportation

Build hands-on automotive skills through vehicle service, diagnostics, maintenance, repair, and shop safety.

Service. Diagnose. Repair.

- **Industry Preparation** — Build hands-on skills for entry-level automotive service careers.
- **Cost Savings** — Automotive training can cost thousands; CRY-ROP students receive it at no added cost.
- **College Credit —** Earn 4 articulated credits through SBVC or RCCD; requirements vary by course sequence.

YOUR PATHWAY
