COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM
Inspiring Possibilities

Medical Assistant Clinical

Health Science & Medical Technology

Build hands-on medical assisting skills while preparing for careers in medical offices, clinics, and other healthcare settings.

Learn. Practice. Care.

- **Industry Preparation** — Develop front-office, back-office, patient-care, and clinical skills used in real medical settings.
- **Cost Savings —** Gain career training at no added cost through high school and potentially save $138 in college enrollment fees.
- **College Credit —** Earn up to 3 articulated college units through San Bernardino Valley College for Medical Office Procedures.*

YOUR PATHWAY

CMA 1
Introductory

Build foundational medical terminology and administrative skills for front-office and reception work in medical facilities and physician offices.

CMA 2
Concentrator

Develop back-office medical assisting skills while preparing for entry-level employment and continued education in patient care.

CMA 3 | Capstone

Apply advanced medical assisting skills and prepare for healthcare careers.
