COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM
Inspiring Possibilities

Mental Health & Mind Matter

Health Science & Medical Technology

Explore mental and behavioral health while learning about psychological well-being, mental health conditions, and careers dedicated to supporting the community and self.

Understand. Support. Inspire.

- **Industry Preparation** — Develop foundational skills in mental health awareness, behavioral health, patient support, and healthcare practices while exploring careers in mental health services.
- **Cost Savings** — Gain mental health career training at no tuition cost while potentially saving on future college coursework through articulated credits.
- **College Credit** — Earn up to 3 articulated college credits through RCCD by successfully completing the Mind Matters capstone course. *

YOUR PATHWAY

Mental Health Careers
Concentrator

Explore mental health, psychological well-being, common disorders, and career opportunities in behavioral healthcare and community services.

Mind Matters
Capstone

Examine mental illness, the nervous system, healthcare ethics, and approaches to prevention and treatment through real-world learning activities.
