REGIONAL OCCUPATIONAL PROGRAM
Inspiring Possibilities

Career Planning & Management

Discover career opportunities while developing essential workplace skills through classroom instruction and hands-on internship experiences with local businesses. Gain the confidence, knowledge, and experience needed to transition from high school to the workforce.

Explore Careers. Gain Experience. Build Your Future.

- **Industry Preparation** — Gain hands-on internship experience while developing professional workplace skills and exploring future career opportunities.
- **Cost Savings —** Explore career pathways and gain valuable job-readiness skills at no tuition cost before investing in additional education or training.
- **College Credit —** While this course does not offer college credits, students develop valuable career-readiness skills that support future education and employment.

YOUR PATHWAY

- **Exploratory CTE Course:** Career Planning & Management
- Standalone exploratory course — no designated concentrator or capstone sequence.

LOCATIONS OFFERED

- Bloomington High School
- Green Valley High School
- Yucaipa High School
