COLTON REDLANDS YUCAIPA
REGIONAL OCCUPATIONAL PROGRAM
Inspiring Possibilities

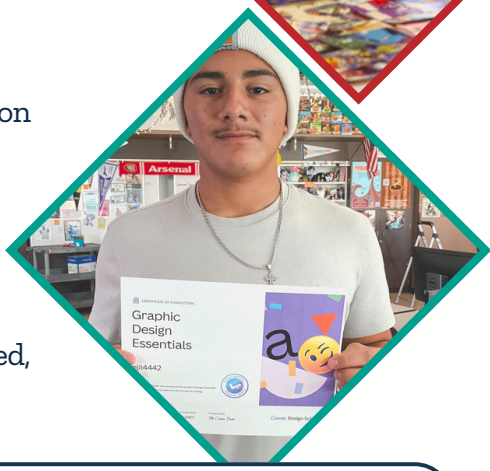

Graphic Design

Arts, Media & Entertainment

Build professional graphic design skills through hands-on projects while exploring careers in design, visual communication, and media arts.

Design. Create. Communicate.

- **Industry Preparation** — Build professional design and visual-communication skills through hands-on projects while preparing for entry-level careers and postsecondary study in design and media arts.
- **Cost Savings** — Graphic Design 1 can translate to 3 college units, potentially saving about $138 in California-resident college enrollment fees.
- **College Credit —** Graphic Design 1 is articulated with SBVC — 3 units earned, with a B minimum.

YOUR PATHWAY

Graphic Design 1
Concentrator

Explore the fundamentals of graphic design through hands-on projects while building skills in visual communication, layout, typography, and digital design.

Graphic Design 2
Capstone

Advance your design skills through more complex creative projects while developing a stronger portfolio and preparing for college and careers in graphic design.
