Joliet Township High School District 204
Refusal of Permission for Media Participation

As part of the Joliet Township High School community relations and recognition programs, the District periodically releases information to the public about our students, their classwork, and/or accomplishments. To highlight student success, your child's name, picture, video, classwork, and/or information pertaining to their accomplishment may appear in various District and non-District publications, which includes but is not limited to, newspapers, web pages, social media, print and electronic communication.

Any media permission approved by the school will be positive, focusing primarily on student successes.

If you DO NOT wish to have your child's information shared or spotlighted in any of the local, school, or District and/or non-District media coverage, please complete this form and return it to the Main Office at Joliet Central, the Transition Center and/or Pathways or to room B101 at Joliet West.

If there are any extenuating circumstances you feel the school should be made aware of, please contact the school principal to further discuss your concerns.
