Head of School Search Update

To the Berkshire School Community,

On behalf of the Board of Trustees and the Head of School Search Committee, we are writing to provide an update on our Head of School search and to invite your active participation in guiding this process.

Our goal is to run a thoughtful, inclusive search that reflects the values and priorities of our entire community. To help achieve this, our search partner, Isaacson, Miller, has created a survey to gather perspectives and feedback.

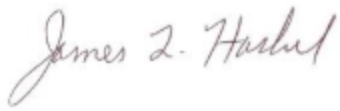

Click here to complete the survey.

We ask that you please take a few minutes to complete the above survey prior to 5:00 p.m. EST on Friday, November 13. All responses are completely anonymous and confidential.

Survey findings from across our community will be combined with insights gathered during Isaacson, Miller's virtual and on-campus listening sessions with trustees, administration, faculty, staff, and students. Together, these inputs will shape the position profile that the Search Committee and Isaacson, Miller will use to recruit and evaluate candidates.

Thank you for your time, insights, and continued dedication to our school. Your perspective is essential to ensuring Berkshire's next chapter is as strong and vibrant as its present. We look forward to keeping you updated as the process unfolds, and please stay tuned to our website for the latest information and previous communications.
