CONNECTING RULER SOCIAL-EMOTIONAL LEARNING FROM SCHOOL TO HOME

Join FSD79 administrators for an interactive virtual Parent University session to learn about our schoolwide rollout of the RULER social-emotional learning framework. Discover how RULER helps students understand and manage their emotions, and explore practical tools you can use at home to foster strong emotional connections with your child. We look forward to partnering with families to support students' well-being and growth both in school and at home!
