INTRAMURALS UPDATE - November 2

-from Luke Weaver, Athletic Director

Session 1 Intramurals

Thank you to all of the students who signed up for session 1 Intramurals! **This session is now completely full**, so registration has closed. Should a student drop out of this session of intramurals this week, we will open it back up until the final deadline on Friday, 11/6. The session 1 advisors are very excited to start teaching this group of students the game and working on their Badminton skills!

If your student is still interested in participating in intramurals, Session 2 registration for Pickleball opened up today and Session 3: Basketball registration will open on 11/16. I always encourage students to register for all of the intramurals that sound interesting to them.

Please send to families. You can add that we believe we have identified and corrected the issue that was preventing EAS families from seeing registration for intramurals on FinalForms. We will know for sure tomorrow.

Session 2 Intramurals

Sign-ups for Session 2 Intramural will open November 2 on **Final Forms**! The second session of intramurals will run from 11/23/26-12/4/26. Our second session will teach students the basics of **Pickleball**, along with developing the skills associated with the game. Cost for the session is $35.00 as well as the ASB fee if you have not already paid that. The ASB is a one-time fee for the whole year.

During Intramural Sports, students will compete against other Finn Hill students. Intramural sports will have limited participants due to the available space in our gym. Our focus is to allow as many students to participate while maintaining a safe space.

Please note that all athletics programs are extracurricular activities. This means that these are not classes and they are not part of a student's academic record.

Intramural Session #2: Pickleball

- Session runs for 2 weeks: 11/23/26-12/4/26
