Wildcat families,

This is always a wonderful time for me to reflect upon what I'm grateful for, and Mt. Spokane HS and our greater community is consistently toward the top of the list. It was such a joy to see so many families and students participating with the Crosstown Claw Down, and the food donations are going to help our Mead food bank during a very busy time. Thank you for your participation, and thank you for your continued support of our community.

November is no less busy than October. I'm looking forward to seeing our students and families at our upcoming events, including our first play of the school year and all of the post season events that are taking place for fall sports. If your student is wanting to play a winter sport, please make sure that you have completed the registration process in Final Forms and plan to attend our Parent Meeting on Thursday, November 5 at 5:30pm.

Now is a wonderful time to check your student's grades and reach out to teachers and counselors if your student is in need of additional support. We are here to help, and want to encourage each of our students to pursue excellence in the classroom. Please don't hesitate to contact us if you have any questions; we are thankful for your continued partnership.

In Service,

Chelsea Gallagher
