<u>AIA / NFHS BRAINBOOK, OPIOID EDUCATION & HAZING PREVENTION COURSES</u> All student-athletes must complete the Brainbook concussion, opioid education & Hazing Prevention course. Students must pass with at least an 80% or must retake the quiz. Students need to upload the certificate indicating they have passed via RMA. Athletes are only required to complete the Brainbook, Opioid Education & Hazing Prevention training once during their four year high school career.

To complete the Concussion Brainbook, Opioid Education & Hazing Prevention Courses:

1. Go to **https://academy.azpreps365.com/**

2. Click on the “Brainbook,” “Opioid Education” or “Hazing Prevention” link at the top of the page.

3. Click register as a student on the sign in page.

4. Fill out the account creation information and click the appropriate school.

5. Select the sport you are taking the test for and also click any additional sports you may participate in. Then click register.

6. Once registration is complete – log in.

7. Complete the pre-quiz.

8. Athletes must answer all of the questions as they go from page to page through the course.

9. Click on and complete the other course (Opioid, Hazing Prevention or Brainbook)

9. Save your certificate with both courses showing complete and upload it via Aktivate. (Athletes must pass with at least an 80% or must retake the quiz.)
