# Oroville Union High School District
# Hall of Fame Sponsorship

Seven OUHSD Alumni were inducted into the Hall of Fame on October 17, 2026. In addition, six students, two each from Las Plumas, Oroville, and Prospect High Schools, were awarded $2,000 scholarships, totaling $12,000 this year, an increase of $3,000 from 2025.

The Hall of Fame is entirely funded by our generous sponsors, as the California Constitution prevents districts from contributing funds to committees like this. You have the option to support either our Scholarship Fund, which provides annual scholarships to graduating seniors, or our General Operating Fund, which covers the cost of perpetual plaques, granite name tiles displayed at Harrison Stadium, complimentary event tickets for inductees, recognition awards, event programs, and much more.

- For a **$100 business donation**, your business name will be included on all of our event advertising, including the program and dinner placemat.
- We gratefully accept **donations from individuals** of any amount. Your name will be included in all event advertising, including the program and dinner placemat, unless you prefer to remain anonymous.
- **Memorial donations** are welcomed for any amount. The name of the decedent will be included in the event program and dinner placemat as a tribute.

**We kindly ask that you email Jaymie Martinez at ouhsdhof@ouhsd.net with your decision regarding a donation by August 1st, as this is the deadline to be included in the program. Your response will greatly assist us with planning and supporting our efforts to honor our students and alumni.**
